Related Technologies: Git, Node, Express, MySQL, GraphQL, MongoDB, React, Heroku, Netlify.

PROJECTS

TastyJams | <https://github.com/ErinHamrick/tasty-jams> |
<https://erinhamrick.github.io/tasty-jams/>

- "Tasty Jams" is a music rating app that allows users to rate songs on a scale of one to five. Integrated Spotify API for Billboard Top 100 songs and utilized Wikipedia API for additional song information.
- As the primary UI developer, I crafted the user interface and styling.
- Technologies utilized include HTML, CSS, JavaScript, Spotify API, Wikipedia API, Materialize.

Mischief-Managed | <https://github.com/joseph-s-foster/Mischief-Managed> |
<https://mischief-managed-04c91ebdf0c9.herokuapp.com>

- "Mischief Managed" is a Harry Potter book progress tracker, allowing users to log completion percentages and receive trivia facts at 25% milestones.
- Primarily involved in front-end development, including page structure and styling. Assisted in writing server routes for the back-end.
- Technologies utilized include HTML, CSS, JavaScript, RESTful API, SQL, Heroku.

To Be Frank | <https://github.com/mstrnes2/to-be-frank> | <https://to-be-frank-9e501319d50a.herokuapp.com>

- "To Be Frank" is a web application designed to match users with their desired fast-food hotdog. After logging in, users answer a series of questions, and the profile page displays quiz results with a link to place an order.
- Assisted in crafting the user interface and styling. Developed React components and pages.
- This application utilizes HTML, CSS, JavaScript, React, GraphQL, Heroku.

EXPERIENCE

Residential Property Manager 2021 – Present
Kentucky-Tennessee SDA Conference Nashville, TN

As a Residential Property Manager, I oversee a portfolio of 11 residential units, comprising single-family homes. My responsibilities include promptly responding to tenant inquiries, managing the entire rental process from advertising to lease agreements, and coordinating maintenance and repairs with vendors and contractors. I maintain accurate financial records and prepare monthly reports.

Key Accomplishments:

- Successfully managed a portfolio of residential properties, ensuring long-term success.
- Demonstrated excellent verbal and written communication skills.
- Exhibited strong organizational and time management abilities.
- Independently handled all aspects of the rental process.

EDUCATION

Full Stack Web Development Boot Camp Certificate: Vanderbilt University, Nashville, TN

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Node.js, MySQL, MongoDB, Express.js, GraphQL and React.
